Business Manager – Mr. James M. Vogel

To: The Families of the Parker School District  
From: Dr. Donavan G. DeBoer  
Re: Online/eLearning Opportunity

The Parker School District is working diligently to develop online/eLearning opportunities for all of our students. Our teaching staff would like you all to be aware of the following actions/items:

- Teachers will be sending emails to students or students' parents by 8:00 pm Sunday evening with directions and procedures on how eLearning will look in their classrooms or subject areas.
- A link to all of our online learning websites will be available on our [parker.k12.sd.us](http://parker.k12.sd.us) website for you to access by Sunday evening.
- A form will be available on our website to submit questions. We will monitor that form daily and answer questions as quickly as we can.
- We expect students to complete as much of the tasks given to promote continuous learning and retention of information we have previously instructed.
- We encourage all students to use your own personal devices, however, moving forward we are working on a process to get school issued computers to K-6 students that do not have access to their own devices.

Thank you for your support as we work through this process. It is new to all of us, and I am sure that we will continue to perfect our eLearning opportunities in the future.

Dr. Donavan G. DeBoer  
Superintendent/Elementary Principal
