GOOD NEWS:

The USDA will be paying for all K-12 students' school meals beginning Aug 25, 2021 and will run through May 31, 2022 or until the USDA meal program money runs out. This program will apply to all K-12 Parker School District students. Please keep in mind that this program will provide one (1) breakfast per day and one (1) lunch per day for any enrolled Parker School District K-12 child.

Please understand that your child's lunch account will be charged for any extra milk, second entrée, or ala carte item if they desire any of these items beyond the free meal. Your child must have a positive lunch account balance in order to purchase any add-ons unless paying with cash.

Thank you for your attention to this very important matter.
