FOREWORD

On behalf of the faculty and Board of Education, we welcome you to the Parker School. Thank you for attending our school. We are looking forward to the opportunity to assist you in fulfilling your educational goals. Parker has a history of academic excellence and extra-curricular accomplishments. We expect you to carry on the tradition and take pride in your accomplishments. Being actively involved in the learning process and the programs offered by the Parker School District will be beneficial to you all of your life.

This handbook has been prepared to help explain and clarify the general policies, procedures and regulations of the Parker Elementary School, Middle School and Senior High School. The administrators in the school district are committed to attempt to resolve any problem that may arise during the course of a school year that may not be covered in this handbook.

MISSION STATEMENT

"Igniting Minds for the Future".

PARKER SCHOOL EDUCATION PHILOSOPHY

The Parker School Board of Education believes that education is a continuous and life-long endeavor. Teachers are dedicated to prepare students for their future by providing a school environment that offers students the opportunity to grow intellectually, socially, physically, and emotionally.

The Board of Education also believes that a well-rounded education is a benefit for all of society. A variety of academic, co-curricular, and special programs will be provided along with the involvement of groups and individuals outside of the school setting. To make education successful, it is important that students, parents, community members, Board of Education members, teachers, staff, and administrators work together to achieve the ultimate goal of providing the best possible education for every student.

EQUAL EDUCATIONAL OPPORTUNITIES

All students at the Parker School District will have equal educational opportunities. The school will not discriminate on the basis of race, color, creed, religion, sex, disability, economic status, national origin, or ancestry in its policies or programs.

To accomplish this policy of nondiscrimination, the Board of Education will make every effort to provide all students equal access with respect to admission or membership in school-sponsored organizations, clubs, or activities; access to facilities; distribution of funds; academic evaluations; or any other aspect of school-sponsored programs or activities. The Board of Education recognizes that children vary widely in capabilities, interests, and social and economic background, and that no two children can be treated exactly alike if the fullest development of each is to be achieved.

Any questions about any of these areas may be directed to Business Manager James Vogel, Box 517, Parker School District 60-4, Parker, SD, 57053. Phone Number 605-297-3456. You may further contact the Regional Director, Dept. of Education, Office of Civil Rights, 10220 North Executive Hills Boulevard, 8th Floor, Kansas City, MO 64153-1367. Any student or staff who feels he/she has been aggrieved, may contact the Superintendent's office for the adopted Grievance Procedures to follow for complaints alleging any discriminatory practices.

GENERAL POLICIES

The student handbook for the current school year includes school district policies of the Board of Education and other procedures designed to offer students an equal opportunity for a free and appropriate public education. The Superintendent is responsible for making such periodic revisions in the handbook as directed by the Board of Education.

THE NATURE OF RULES

It has been said that very few people become concerned about rules and their interpretations until the rule, in its application, touches their lives personally and restricts something they want to do. Then it matters not whether the rule has a historical justification, a reasonable rationale, or a time-proven logic. If the rule does not accommodate the prejudice one has, then it is immediately thought that the rule should be changed or scrapped. If this is not done, then the search is on to find in the wording of the rule a twist of convenience that will permit doing their thing.

This is all done without consideration of others that could be affected by a subtle infraction of the rule. The old adage that rules are made to be broken is an anomaly used to discredit enforcement.

SCHOOL DAY SCHEDULE

An opening bell rings at 8:00 AM. Classes begin at 8:05 AM. The academic portion of the school day ends in grades K – 6 at 3:45 PM. For all other students, the academic school day ends at 3:46 PM.

*** Please do not send elementary school-aged students to school before 7:45 AM.***

Exception: If students are participating in the breakfast program, they may arrive at 7:40 AM.

PLC/BEFORE SCHOOL CARE

The PLC Before School Program is for grades K-6 on school days only starting at 6:00 AM. A fee will be charged per child each day. If school is **canceled** due to weather parents will be responsible to come and pick up their child(ren). Pre-registration and payment are necessary. Call the school office for paperwork. 297-3456

PLC /AFTER SCHOOL CARE

The PLC After School Care Program will be open until 6:00 PM on school days with the exception of early outs due to WEATHER RELATED CONDITIONS. On days where school is called off early due to inclement weather, PLC will not be open. You will be responsible to pick your child up by as soon as you can.

LOCKED DOORS

The Parker School District has a locked door policy to help ensure the safety of our students and staff. All entrances with the exception of the **SOUTH CAFETERIA/MAIN DOOR** will remain locked at all times. The locked doors will be marked with red stop signs. The open doors will be marked with blue signs. Students are to enter and exit through the **SOUTH CAFETERIA/MAIN DOOR** only before and during the school day.

VISITORS

A student not enrolled in the Parker School System, is not allowed to attend classes or study periods during the school day, unless approved of by the principal. Exceptions will be made for prospective students touring our school. Parents are encouraged to observe classes. Prior notice to the teacher and/or the administration is required.

When parents are invited to help chaperone a classroom activity, field trip, or be a guest speaker we ask that they make daycare arrangements for younger siblings. Younger siblings distract the learning environment of the entire classroom and divert the adult's attention from their chaperoning responsibilities of our students. Younger siblings are welcome to attend events in which an audience is invited, or to have lunch with the parent and older sibling.

*** All visitors must record their visit to the school. Forms for the purpose of recording each visit are located in both offices. Visitors must wear a visitor badge to attend a class. Visitor's badges are available from both offices. Visitor Badges are not necessary for events in which an audience is invited.

CHANGE OF ADDRESS

Please notify the Parker School Office, 297-3456, if you move, change telephone numbers at home or at work, or change your address during the year. We try to keep our registration and emergency cards correct and up to date.

BIRTH CERTIFICATES

The legislature passed into law a requirement that schools have on file a copy of a certified copy of birth certificates, not the hospital record, for every enrolled student. This law affects students who move into the district as well as all incoming kindergartners. The certified copy of the birth record must be present on or before the date of enrollment.

LUNCH INFORMATION

Lunch and breakfast will be served on the first day students attend classes in the school district. Breakfast is served in the cafeteria from 7:40 a.m. until 7:55 a.m. Applications for free and reduced meals will be sent to all parents or can be picked up at the business office.

A computerized payment program will be in place for all students and staff. The school will use a computer program for students to enter a four-number code and the computer will debit the student's account. Students may purchase meals and milk in this manner without bringing money each day. The cost of lunch is K-6 \$2.75; 7-8 \$3.30; 9-12 \$3.45; Adult \$4.50; Adult Salad Bar \$4.00; Reduced meals \$.40; milk \$.25. There is a cost of \$1.25 for second main entrée, and \$.30 for each additional milk beyond one, including free or reduced-price meals. A la carte items will also be available at an additional cost. The cost of breakfast is K-12 \$1.10; Adult \$2.00; Reduced meals \$.30; milk \$.25; a la carte items available at an additional cost.

A la carte items are available at lunch time for students in grades 5-12 to purchase at an additional cost. A 2nd entrée choice may be available at lunch for students in grades 7-12. Parents are responsible to monitor the number of a la carte items purchased by their children.

This system is a pre-payment program. It is not a credit system. Parents are asked to initially deposit \$20.00 per child (\$4.00 per child for families receiving reduced price meals) into their family account, although larger amounts are recommended.

MEDICINE

Many students require medication during the school day either routinely or episodically. We encourage medication hours be arranged outside of school hours if at all possible. Medication **MUST** be accompanied by a permission form (available from the principal's office) stating the medication's name, dosage, times to be taken, parent and/or physician's signatures. Medicine must be brought to school in original, labeled pharmacy containers. We do not furnish aspirin.

PROMOTION / RETENTION

Students are required to have all class work completed at the end of each grading period. Students will be given incompletes only in cases of sickness or hardship.

The teacher has the primary responsibility to evaluate student efforts and achievements. In addition to academic attainment such factors as the student's character and age, mental age, social growth, attendance patterns, physical development, emotional status, and effort are considered in non-promotion for grades K-8. When a teacher determines that non-promotion for grades K-8 may be required, the principal will be advised. A meeting between principal, teacher(s), and parents will follow the recommendation to make the final decision.

STUDENT PROGRESS REPORTS

Student progress reports are no longer mailed home to the parents at midterm of each of the four grading periods in the school year. Reports can be accessed through our DDN parent portal. These progress reports will be used to inform parents of progress made by the student in his/her classes.

WRITTEN GRADE REPORTS & CONFERENCES

Written grade reports will be issued to elementary students at the end of every quarter. The DDN parent portal is used to access junior high and high school scores. Parent-Teacher Conferences will be held once in the fall and again in the spring. Both parents are strongly urged to attend these conferences. This is an excellent opportunity for the school and home to work closely together in a unified effort. Grades will be updated weekly. Parents are encouraged to use DDN to check grades. Contact the office for a password. (With the use of standard based report cards, elementary grades will not be posted weekly in DDN, please contact teachers anytime for progress status)

ADMISSION TO ATHLETIC ACTIVITIES

Activity tickets are sold through the Business Office that include admission to all A and B Football games, A, B, and C Basketball games (girls and boys), all Wrestling matches, Volleyball matches, and school plays at home events with the exception of post season play and tournaments. These tickets should be paid for by the date of the first home contest.

K-12 DETENTION POLICY

Students who are assigned detention time after school will report as directed, or make arrangements with the teacher involved, who may, if necessary, delay the detention. The school is not responsible for the transportation of any student who has been detained. Students in grades 5-12 may also be given Saturday Detention by an administrator according to school guidelines.

Detention (after school) may be required for the student who does not observe school, class, or teacher rules. Detention will include but is not limited to the following:

1. Detention may be assigned to a student who exceeds a certain number of infractions in a given time frame. Detention can also be assigned to a student who is involved in a serious breach of proper behavior on the first occurrence.
2. Teachers and administrators have the authority to assign detention time. Other staff may recommend detention, when warranted, to a teacher or administrator.
3. Detention time will be assigned after school on Monday through Thursday, the number of days, not to exceed four (4) for each infraction, is discretionary with the teacher.
4. Detention time will be after school until 4:30 p.m.
5. Detention time will be delayed 24 hours if needed for students to make arrangements.
Example: Bus students may need to make transportation arrangements the next day.
 - a. Parent(s) will be responsible for any transportation or other arrangements made necessary as a result of the detention

- b. The student will be responsible for reporting to detention when assigned and bringing school related work to accomplish during the period. Failure to do either will result in a makeup detention being assigned. The teacher assigned for detention duty will assign work if necessary.

K-12 DRESS CODE*

It is the responsibility of parents to determine what is appropriate dress and grooming for their children in accordance with the age and grade of these students. It is hoped that decisions made by parents and students in these matters will reflect favorably upon the individual, the school, and the community. In the interest of cleanliness, decency and good taste, restrictions on students' dress and grooming are necessary when such dress and/or grooming create a danger to the students' health and safety, an interference with the educational process, a disruption in school, or invade the rights of others. The following are some guidelines:

1. No outerwear will be worn during the school day. (teacher's discretion)
2. No apparel or articles that promote or suggest alcohol, tobacco products, or drugs are allowed in school. Apparel or articles containing messages, lettering, markings or pictures that could convey profane or offensive meanings or may relate to sex, race, gangs, or cults will not be tolerated if worn in school.

All procedures in effect for the school day are extended to cover all extra-curricular events in which the Parker School is involved in, regardless of whether or not the student is a participant.

FIRE DRILLS/DISASTER DRILLS/LOCK DOWN DRILLS

Fire, disaster, and lock down drills will be held periodically during the school year as directed bylaw. All student and staff need to conduct themselves in an orderly and quick fashion during these drills. All drills will be timed.

The school has a school counselor on staff as well as having the services of the Cornbelt Cooperative psychologists. Students are encouraged to visit with the school counselor as needed. Passes to the counselor can be obtained from teachers, administration, or the counselor. Guidance for future employment, military service, and schooling, as well as information about scholarships can be obtained from the counselor.

TEXTBOOKS, WORKBOOKS, COMPUTERS, AND SCHOOL OWNED ITEMS

Textbooks, workbooks, and computers are property of the Parker School District and are checked out to students. Students are responsible for any damage or loss of such. In the same manner, other school properties such as uniforms, musical instruments, etc., which are given to students to wear, or use are also the responsibility of the student. Any use of facilities by students or community members outside of school-sponsored activities must be approved of by school administration prior to such activities. All class meetings must have a class advisor present.

AUDIO TAPING OF CONVERSATIONS

For the protection of all parties involved, the Parker School administration reserves the right to audiotape any phone or personal conversations involving students, parents, etc., when dealing with student or other school related issues. Notice may or may not be given.

SECURITY CAMERAS

Security Cameras are installed in high traffic areas and some classrooms within the ParkerSchool. These cameras are to monitor the safety of our students and staff.

MONEY AND VALUABLES

Students are discouraged from bringing large amounts of money or valuables to school. Theschool cannot be responsible for lost or stolen items.

ELECTRONIC/SMART DEVICES

Electronic devices, including but not limited to items such as cell phones, iPods, and MP3 players, are not to be used by students during the school day (8:05 am–3:46 pm) with the exception of lunch periods 11:57-12:23 for junior high, 12:26 – 12:52 for high school, and passing time between classes. Electronic devices may be used during class with permission of a staff member for educational use only. Teachers may opt to have device storage containers in their classrooms to eliminate potential cell phone issues. **If an electronic device is used outside of the times allowed without permission from district staff, it**

will be confiscated and returned at the end of the day to student or parent. See *Discipline Matrix* on pg. 55.

Electronic devices which have the capability to take photographs shall not be used for such purposes in locker rooms or restrooms at any time. Violation of this will result in severe consequences as established within the discipline matrix.

Any use of a camera, camera phone or any picture/video recording device in the locker room, restroom, or inappropriate use on school property, school events, or school vehicles that includes, but is not limited to, nudity, graphic depictions, or sexual innuendos will be subject to disciplinary action ranging from detention to expulsion, dependent on the severity of the incident, and the incident may be referred to law enforcement.

Electronic devices can be disruptive to the learning environment and used for cheating. If students are observed using a cell phone or other electronic device without staff member permission during class time, **the item will be confiscated.** If the student does not turn the device over, it will be viewed as **insubordination.** Permission may also be granted by administration or the secretary for use in the office. The district is not to be responsible for loss, theft or damage to personal communication devices brought to district property or school sponsored events.

See the discipline matrix on the last page of the student handbook for consequences involving misuse of electronic devices.

DANGEROUS ITEMS/SNOWBALLS

Students should NOT bring hard balls; play guns, water pistols, skateboards, roller blades, or pocketknives to school. Throwing snowballs is not allowed on school property. These items are not allowed at school events either.

- Organizations not affiliated with Parker School will need permission to solicit fundraising items during school events such as ball games.
- A limit may be imposed to deter excessive fundraisers at school events.

FLOWERS/DELIVERIES

Flowers and other gifts will not be delivered to students. They should be delivered to their home.

MAKE-UP WORK

Students are allowed 2 days to make up schoolwork in order to get credit following an absent day. Subsequent days of absence allow 1 day of time for make-up for each day absent after the 1st day. Teachers may require students to take a scheduled test upon return to school.

CO-CURRICULAR MAKE-UP WORK

Students are responsible to get schoolwork in advance for co-curricular activities. Work is due upon return. Exception for co-curricular absence is when the activity requires absence for consecutive day.

MISSING/LATE WORK

Completing homework assigned by the instructor on time is vital to the learning process. When homework goes undone or incomplete, the student falls behind creating gaps linking concepts. Learning is a progression, and it is crucial students complete their schoolwork and seek help when comprehension is lacking. Late or missing work will be graded at the teacher's discretion.

Students who fail to complete homework on time or are on the deficiency list with a D+ or below may be required to come in for extra help on Fridays, attend working lunch, and/or ninth hour. Failure to comply with the homework policy may lead to disciplinary action including, but not limited to Saturday detention.

ATTENDANCE

Education is a state function under the control by law of the South Dakota legislature. It is compulsory that all children from age seven and not exceeding age **18** regularly attend school unless excused because of physical or mental conditions. The basic responsibility for regular school attendance lies with the students and with the parents. The role of the school in attendance matters is one of cooperation, counseling, and reporting to parents. Parental cooperation is expected. Attendance is a part of each student's permanent record. It is one of the major concerns of any employer. A casual attitude toward regular school attendance extends into adulthood. Habitual absences will be turned over to the States' Attorney.

If it is necessary for a student to be absent, the parent/guardian is asked to phone the main office (297-3456 ext. 0) by 7:55 AM that day. When such a call is not made, office personnel may call the parents to make sure the parents are aware of the absence. If an absence is anticipated or known in advance, the parent is asked to phone the office or send a signed note explaining the reason for the absence, including the date(s) and time(s) that the student will be gone. Students leaving during the school day must first obtain a pass and sign out in the office. Students arriving after the first bell must sign in and obtain a pass in the office before going to their classrooms.

One purpose of elementary school is to teach life-long skills to students during their developmental years. It is each student's and his/her parent's responsibility to have their child(ren) maintain regular school attendance. The following guidelines are to be used to maintain effective school-parent communication regarding the attendance of their child(ren) in school:

- When a student is absent the school should be called that morning prior to 7:55 a.m. and every day thereafter until the student returns to school.

- If it is known in advance a student will be absent on a certain date, please send a signed excuse to the teacher so work may be completed PRIOR to the absence. A student will have 2 days for every day absent to make up their work. Subsequent days of absence, allow 1 day of time after the first day.
- If it becomes necessary for a student to be absent after coming to school, the parent or guardian must phone the office or send a slip stating the reason and personally pick up the student after receiving office approval. Children will not be released from school unless cleared by the office in the above manner.
- If a child becomes sick after coming to school, the parent or guardian will be called and should come to pick up their child. In the event the parent or guardian cannot be reached, the next name listed on the student's emergency card will be contacted. All students leaving the school must check out through the supervisory teacher and the elementary office.
- The 7-12 guidelines will be used to determine whether or not an absence is exempt, excused, or unexcused. Please read the entire attendance policy.
- For the purpose of interpretation, any student arriving at school up to 30 minutes late will be counted tardy.
- For the purpose of interpretation, if a child is present for at least 2 hours of the 7-hour school day, they will be counted 1/2-day present.
- **Habitual absence may result in notification to Parker School District's SRO for students not exceeding age 18. Loss of credit may occur for students in grades 9-12.**

7-12 ATTENDANCE

Unexcused Absences:

An unexcused absence indicates that a student is absent from school with or without the consent of the parent, but for a reason which is not acceptable to the school such as "skipping" school. The student will be required to make up the work missed. The student will also earn Saturday Detention.

A student must be in school by the beginning of 6th period in order to participate in SDHSAA co-curricular activities. (Exception: prearranged appointments such as doctor, college visit, etc.)

Guidelines for Absences:

The guidelines below will be used to determine when a student loses credit due to high absence but is not used to determine perfect attendance. A student may have an excused absence, but that day will still be recorded on their report card regardless of if it's excused or unexcused. Perfect attendance means no missed class time for any reason other than a school activity.

1. Participation in school sponsored activities (Exempt)
2. State Event (fan or non-school participant) (Excused)
3. Any absence for illness or doctor appointments, which can be verified by a doctor's statement. (Excused)
4. A family emergency as interpreted by the administration, such as a death in the family, critical illness in family, etc. (Excused)
5. Juniors or Seniors seeking job placement after graduation or vocational or college visitation. (1-2 days allowed with no absence) Must follow school guidelines on college visitation.
6. Parent Permission (Excused)
7. Educational 4-H field trips such as, church sponsored trips, etc. (Exempt)

Tardy:

Students who are tardy five times in a quarter may be assigned Saturday detention. (One Saturday Detention for each set of 5 tardies.) Students may be counted tardy for any of periods 1-8 during the school day.

Absence: A student is absent when he/she misses half or more of the period. A student will not be charged for any absence from a class or study hall while participating in a school-sponsored event.

College Visitation: Two post-secondary school visits will be allowed that will not count toward the attendance policy absences. Administrative approval is needed. Any further school visits will be counted against the attendance policy. All post-secondary school visits must be arranged through a contact with the guidance department, or it will not be excused.

Inclement Weather: Parents will make the final decision regarding their K-12 children's school attendance. If you feel a dangerous weather condition exists, keep your children safely at home regardless of school is being held or not. They will not be counted absent.

Attendance Consequences / Loss of Credit – for unexcused absences

After a student has been absent from any class during a semester:

- **6 times** – A form letter stating this fact will be sent to the parents. The letter will stress the importance of good schoolwork. A conference may be held to include, if possible, the principal, the student, and at least one parent, to discuss the problems of attendance and academic progress.
- **10 times** – After ten absences from a class, the student may be dropped from the class with **no credit**. If a student is under the age of 18 and loses credit in a class or classes, they are still required by law to attend school.

Any student who loses credit in a class because of absences may request a meeting with the superintendent for the purposes of reviewing the absences to determine whether all absences are valid.

After meeting with the superintendent, the student may request a meeting with the Board of Education for the purpose of reviewing the absences to determine whether all absences are valid.

This is a general policy on attendance, and the school administration is empowered to use its discretion in the enforcement and the application of the policy. Any exception to this policy must be discussed and approved before a crisis occurs.

PUBLIC NOTICE

The parent of a student or an eligible student may refuse to be personally identified in any or all of the information categories. Such refusal must be made in writing to the student's principal within 15 days after notice is given.

ANTI-BULLYING POLICY (See Full Policy in the District policy book)

General Policy Statement

It is the policy of the Parker School District to maintain learning and working environments that are free from bullying based on a person's race, color, sex, national origin, disability, sexual orientation, and economic status. The Parker School District prohibits any and all forms of bullying because it violates the basic right of students and staff to be in a safe, orderly learning environment. This policy seeks to promote positive interpersonal relationships between all members of the school community. It shall be a violation of this policy for any student or staff member to bully another while attending school or school-sponsored events; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school or school district.

For the purpose of this policy, the term "school staff" includes board members, school employees, agents, volunteers, contractors, or other persons subject to the supervision and control of the district.

The School District will promptly and thoroughly investigate reports of bullying, whether of a

physical or a nonphysical form. If it determines that bullying has occurred, it will act appropriately within the discipline codes of the district and will take reasonable action to end the bullying. Any student who believes he/she has been a victim of bullying by student or school personnel, or any person with knowledge of bullying toward a student, should immediately report the alleged acts. The report may be made to any staff member who will assist the student in reporting to the principal or designee. Teachers and other school staff who witness acts of bullying or receive student reports of bullying are **REQUIRED** to promptly notify designated staff. Reports should be done in writing using the Formal Bully Complaint Form. A copy of this form will be submitted to the principal or designee.

DANGEROUS WEAPONS IN THE SCHOOL

Schools should be an example of what is required regarding the observance and respect for law in society at large. Schools also must be highly conscious of the health, safety, and welfare of students, staff, and the public.

State and federal laws as well as Board of Education policy forbids the bringing of dangerous or illegal weapons to school or school sponsored activities. Any weapon taken from a pupil shall be reported to the pupil's parents. Confiscation of weapons may be reported to the police. Appropriate disciplinary or legal action or both shall be pursued by the building principal.

A dangerous weapon is defined as any firearm, air gun, knife or device, instrument, material or substance, whether animate or inanimate, which is calculated or designed to inflict death or bodily harm.

No firearms are permitted on any school premises, school vehicle or any vehicle used for school purposes, in any school building or other building or premises used for school functions. An exception would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, authorized military personnel, and authorized supervised school training sessions for the use of firearms.

Any student bringing a dangerous weapon to school shall be expelled for not less than twelve months and will be referred to law enforcement authorities. The Superintendent shall have the authority to recommend to the school Board of Education that this expulsion requirement be modified on a case-by-case basis. This policy shall be implemented in a manner consistent with IDEA and Section 504.

LACK OF EFFORT

Students who are not putting forth effort by not doing their homework or other material as requested by the teacher will be counseled by their teachers, counselor, and principal. Students who are missing work may be required to attend working lunch and/or ninth hour to help get caught up, per teacher discretion. If the student's effort does not improve after a concerted effort by teachers, counselor, and principal, the student will receive a disciplinary referral from the teacher and a copy placed in the student's file. The student will continue to be counseled and a Check-In/Check-Out contract will be written for the student stating the areas that need to be improved. The contract will be signed by the student, parents, teacher, counselor, and principal.

If no improvement has been made after two weeks from signing the contract, the student may be referred to an alternative educational setting or suspended from school for the remainder of the semester with loss of all credit for that semester.

STUDENT RELATIONSHIPS /PUBLIC DISPLAYS OF AFFECTION (PDA)

Public displays of affection are inappropriate at school or school functions/activities. Students who exhibit excessive affection including holding hands in hallways and classrooms will be referred to the

office, and, if necessary, Saturday Detention will be given to uncooperative students. (See Discipline Consequence chart).

LOCKERS

Each JH student is assigned a locker and HS students may have a locker at their request for the storage of books, school supplies, and coats. It is the student's responsibility to see that his/her locker is kept locked and in order at all times. Do not store valuables of any kind in your locker. You are responsible for all items left in your locker. Do not share your combination with anyone. Lockers are school property and subject to search at any time. Students will be assessed a fee if damaged or not cleaned properly. No sharing lockers. This will result in a loss of locker privileges for both students.

COATS AND BACKPACKS

Book bags may be used as long as the following rules are followed:

1. Only smaller type book bags will be allowed. An appropriate size is 12" X 18". No duffel bags or sports bags.
2. Book bags must be placed under the student desk while in the classroom. Bags placed in the aisle will be confiscated by the teacher and turned into the office.
3. Only classroom materials should be carried in the bags. Bags found with contraband will be confiscated and turned into the office.

Students who violate the above regulations will lose book bag privileges for one week on the first offense and for the remainder of the semester for a second offense.

BEVERAGES, CANDY, AND FOODS

The cafeteria will be available for breakfast and lunch for students who choose to stay in the building to eat breakfast or lunch. Gum will only be allowed according to individual teacher discretion in grades 7-12. Water and water bottles only will be allowed in the classrooms, small snacks such as granola bars, chips, etc. will be allowed in the classroom as long as the food/drink is not a distraction to the learning environment.

SATURDAY DETENTION

The purpose of this detention is intended to be punitive in nature and used prior to but not to replace suspension or expulsion.

A student in grades 5-12 may be assigned Saturday detention only by a school administrator, (principal(s) or Superintendent). This assignment may be made as a result of direct observation by the administrator involved or by referral from any other school employee.

A student may be assigned Saturday detention for the following infractions (not intended to be all inclusive):

1. Disruption of school
2. Damage to school property, includes theft
3. Damage to private property, includes theft
4. Assault or physical abuse
5. Insubordination
6. Discipline problems on bus
7. Exceeding attendance policy - hour for hour missed.
8. Excessive tardies.
9. Unexcused absence according to school guidelines

Format for Saturday detention

- A. A school administrator must make the assignment to Saturday detention.
- B. A student must be present for the entire session, no tardies, no early dismissals.
- C. Hours are 8-11 a.m. Saturday morning assigned.
- D. Basic rules
 - 1. Student must read and/or study school related material
 - 2. No talking
 - 3. No leaving
 - 4. No food or beverages
 - 5. No alternative date for detention
 - 6. Electronic devices (with the exception of school related needs/use) will not be allowed. Example no music, no games, no videos.

Consequences for being late, skipping, or failure to observe rules –

- 1st offense - One (1) day suspension with Saturday detention still to be served.
- 2nd offense - Two (2) day suspension with Saturday detention still to be served.
- 3rd offense - Due process hearing with Board of Education - possible long term (over 10 days)suspension or expulsion.

Parent(s) or a guardian will be notified when a student is assigned Saturday detention or is in violation of Saturday detention rules.

A student will have two Saturdays from which to choose in serving the detention time. One will be the Saturday in the week in which a violation occurred, and the other is a Saturday of a school administrator's choice, usually the next Saturday, school calendar permitting.

A student who requests an exception to the attendance policy should expect that, if granted, the time requested will be made up by Saturday detention.

STUDENT SUSPENSION HOMEWORK/CREDIT

Students who are suspended from school—whether in school or out of school—must make up all work missed. If all missed work is not turned in within two days of returning from suspension, the student will be assigned a Saturday School. Credit for daily work missed will be decided by administration depending on the circumstances. Students may make up tests, and/or projects that have been missed with full credit. This also must be made up within two days of returning from the suspension.

When a student is removed from a class for behavior reasons for the remainder of the semester, the student will be given a withdrawal grade from the class and no credit given. If the student cannot be placed in another class, he/she will be placed in a place designated by the building principal.

STUDENT SUSPENSION/EXPULSION

Serious breaches of standards of behavior may result in suspensions or expulsions from school. By law, the Board of Education has the authority to suspend or expel beyond ten days students for violation of school rules or policies, or for insubordination or misconduct. The principal is authorized to suspend students for not more than ten school days and by the superintendent of schools for not more than 90 days. The period of expulsion may extend beyond the semester in which the violation, insubordination, or

misconduct occurred. Any expulsion for consumption or possession of beer or alcoholic beverages may not extend beyond ninety school days.

Any student bringing a firearm to school shall be expelled for not less than twelve months and will be referred to law enforcement authorities. The superintendent shall have the authority to recommend to the school Board of Education that this expulsion requirement be modified on a case-by-case basis. This policy shall be implemented in a manner consistent with IDEA and Section 504. For the purpose of this portion of this policy, the term "firearm" includes any weapon which is designed to expel a projectile by action of an explosive, the frame or receiver of any such weapon, a muffler or silencer for a weapon, or any explosive, including any poison gas.

Generally, a suspension or expulsion may be imposed when a student's behavior creates a threat to his/her own or other's safety or imposes a threat to property or premises. Behavior such as fighting or committing an assault on another; stealing; vandalism or causing damage to; possessing weapons, explosives or other prohibited materials on private or school property; making false alarms or bomb threats; lewd or threatening behavior or language; possession or under the influence of drugs; or possession or under the influence of beer or alcoholic beverages, - possession of tobacco on the school premises or at school activities; and repeatedly and intentionally defying the valid authority of supervisors, teachers, or administrators, and/or causing interruption of the school program may result in suspensions.

** This is not intended to be all inclusive of reasons for a suspension or expulsion.

In addition to school disciplinary measures some of the above actions are subject to punishment through civil authorities.

Students who are guilty of continued serious misconduct which results in repeated suspension and who therefore interfere with the opportunity of other students to carry on their learning activities may be recommended to the Board of Education for expulsion from school.

Hearing procedures as established by state regulations will be followed for all students who receive long-term suspensions or expulsion.

All above rules shall be applicable when a student is:

1. On the school grounds during, before, or after school hours.
2. On the school grounds at any other time when the school or school grounds are being used by a school group or during any school related activity, function, or event.
3. Off the school grounds at any school related activity, function, or event.

STUDENT RIGHTS AND RESPONSIBILITIES

The Board of Education recognizes that it has the responsibility to assure students the legal rights that are theirs by virtue of guarantees offered all persons under the federal/state constitutions and statutes. In connection with rights are responsibilities that must be assumed by students.

A student is responsible for the way he/she exercises his/her rights, and he/she must accept the consequences of his/her actions and recognize the boundaries of his/her rights. Each exercise of an individual's rights must demonstrate respect for the rights of others.

These statements set forth the rights of students in the public schools of the district and the responsibilities that are inseparable from these rights:

1. Civil rights - including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
2. The right to attend free public schools; the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school.
3. The right to due process of law with respect to suspension and expulsion.
4. The right to free inquiry and expression; responsibility to observe reasonable rules

regarding these rights.

5. The right to privacy, which includes privacy in respect to the student's school records. As part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board of Education to make, and delegate authority to its staff to make rules regarding orderly operation of the schools.

STUDENT DUE PROCESS RIGHTS

Due process, in the context of the administrative proceedings carried out by school authorities, refers to the hearing procedures established by the State Board of Education. All students are entitled to due process when they are subjected to disciplinary actions such as suspension or expulsion. The Board of Education and school officials have the legal authority to deal with disruptive students and student misconduct.

Due process procedures will conform to the following basic practices.

1. They must be fair.
2. They must apply equally to all.
3. They must be enforced in a fair manner, which involves:
 - adequate and timely notice and an opportunity to prepare a defense.
 - an opportunity to be heard at a reasonable time and in a meaningful manner.
 - the right to a speedy and impartial hearing on the merits of the case.

Some students have additional rights due to IDEA and 504 statutes. See Chapter 13 of Cornbelt Cooperative Policy Book for Due Process rights for these students.

STUDENT COMPLAINTS AND GRIEVANCES

The Board of Education recognizes that there may be conditions in the school district that are in need of improvement and that students should have some means by which their concerns may be effectively expressed, considered, and dealt with fairly. Such means, if well-conceived and understood in advance, can do much to maintain harmonious relationships between the schools and the students and community.

The Board of Education desires student complaints and grievances to be resolved through orderly processes and at the lowest possible level, but that channels be provided for eventual hearing by the Board of Education in instances when this becomes necessary.

GRIEVANCE PROCEDURES

For Parents, Students, and Other Patrons of the District

1 – Informal:

If a person has a grievance, they should first discuss the matter with the person who is directly responsible for the grievance in an effort to resolve the problem informally. Grievances (complaints) directed to the school board, administration, supervisors or other staff should be re-routed to include this informal step. If the informal meeting fails to solve the situation, the grievance shall be filed with the immediate supervisor on a form supplied by the administration. The immediate supervisor will provide copies to both parties and seal one in an envelope to be delivered to the superintendent.

Step 2 – Formal: Principal/Immediate Supervisor

Once a grievance form has been filed, a meeting shall be scheduled within five school or working days. If more than one school or supervisor is involved, they all will be asked to participate. At the meeting both sides will present their side of the story. The principal/supervisor shall render a decision and its rationale in writing to both sides within five days.

Step 3 – Formal: Superintendent

If either side is not in agreement of the decision, **Step 2** will be repeated with the superintendent.

Step 4 – Formal: School Board

In the event of this formal appeal, the Superintendent will schedule a Grievance Hearing with the School Board within five school or working days unless there are extenuating circumstances.

The resolution offered by the School Board shall be the district's final decision.

PARKER SCHOOL DISTRICT COMPLAINT POLICY FOR FEDERAL PROGRAMS

A parent, student, employee, or district stakeholder who has a complaint regarding the use of federal NCLB funds and is unable to solve the issue, may address the complaint in writing to the district's superintendent. The complete policy may be found at www.parker.k12.sd.us

If the hearing is not waived, the hearing shall be held on the date, time, and place set in the notice unless a different date, time, and place are agreed to by the parties.

4. Hearing procedure. The school Board of Education shall constitute the hearing Board of Education and shall conduct the hearing in the following manner:

- (12) After the hearing, the school Board of Education shall continue to meet in executive session for deliberation. No one other than the presiding officer of the hearing shall meet with the school Board of Education during deliberation. The school Board of Education may seek advice during deliberation from an attorney not present at the hearing. Consultation with any other person during deliberation shall occur only if a representative of the pupil is present.
- (13) The decision of the school Board of Education shall be based solely on the evidence presented at the hearing and shall be formalized by a motion made in open meeting. The motion shall omit the name of the pupil and shall state the reason for the Board of Education's action. The pupil or pupil's parents shall be notified in writing of the decision. The notice shall state the length of the suspension or expulsion.

5. Right of appeal. An adverse decision to the student by the school Board of Education may be appealed to a court of law.

6. Attendance policies. No attendance policy may exclude a pupil from a class or from school for more than ten days without providing due process procedures pursuant to this chapter.

7. Referral to placement committee of expelled or long-term suspended students. Whenever a pupil identified as in need of special assistance or prolonged assistance is expelled or subjected to long-term suspension, a referral shall be made by the superintendent to the district's placement committee. The placement committee shall determine whether the action, behavior, or activity that resulted in the long-term suspension or expulsion is the result of the pupil's handicapping condition. If the placement committee determines that the long-term suspension or expulsion of a pupil is based upon action, behavior, or activity by the pupil arising from the pupil's handicapping condition, the placement committee shall immediately prepare a revised individual educational plan to provide educational services to the pupil. The pupil's long-term suspension or expulsion shall terminate upon implementation of the pupil's revised individual educational plan.

BUS TRANSPORTATION

The bus driver is an official representative of the school and has full authority to discipline students on the bus. It is the duty of each student who rides the bus to do his/her part to keep the buses in good condition and to abide by the stated rules.

Violation of these rules could mean a reprimand or cancellation of bus privileges on all buses. If a student

is removed from a bus, that student will have to obtain other means of transportation at no expense to the school district.

1. The student shall follow directions of the driver the first time given.
2. The student shall arrive at the bus stop before the bus arrives.

23. Students desiring to leave the bus at other than their designated bus stop must present the driver with written permission to do so from their parents.
24. Students will be courteous to the driver, fellow students, and the general public.

Infractions in bus conduct will result in the following administrative action:

1. **First Infraction:** The completion of the Bus Conduct Report will be considered the first infraction of the student rules for conduct on the bus. A school administrator will discuss the violation and review the rules with the student and notify the parent(s). The student will be notified, and next infraction of the student rules will result in a suspension of riding privileges on all buses for two (2) school days. A copy of the Bus Conduct Report will be sent to the parent/guardian. The situation will be explained to the parent/guardian, and they will be asked to help the child improve his/her conduct on the bus.
2. **Second Infraction:** The second Bus Conduct Report that is completed will result in the student BEING SUSPENDED FROM ALL BUSES FOR TWO (2) SCHOOL DAYS. The student will be talked with by an administrator. The parent/guardian will be notified of the suspension prior to the suspension and a copy of the Report will be sent to them.
3. **Third Infraction:** Upon completion of a third Bus Conduct Report, the student will be suspended from all buses for five (5) school days. The student will be talked with by an administrator and will be notified of the suspension. The parent/guardian will be

notified of the suspension prior to the suspension and a copy of the Report will be sent to them.

4. **Fourth Infraction:** Upon the completion of the fourth Bus Conduct Report, the student will be suspended from all buses for ten (10) school days. The student will be talked with by an administrator and will be notified of the suspension. The parent/guardian will be notified of the suspension prior to the suspension and a copy of the Report will be sent to them.
5. **Fifth Infraction:** Upon completion of the fifth Bus Conduct Report, the student will be suspended from all buses for the remainder of the school year. The student will be talked with by the Superintendent and will be notified of the suspension. The parent/guardian will be notified of the suspension prior to the suspension and a copy of the Report will be sent to them.
6. **Major Infractions:** These may result in immediate suspension from all school buses.

Students and parent(s)/guardian(s) will be afforded due process in cases relating to the suspension of school bus riding privileges.

The following infractions may result in the revoking of a student's bus riding privilege:

1. **Fighting:** Physical violence in an angry or quarrelsome manner with intent to harm another person or to disrupt the process of education while on school property, including parking lot and school buses.
2. **Insubordination:** Refusing to obey; failure to follow instructions or directions of a staff member; defiance; rebelliousness; or lack of cooperation.
3. **Profanity:** Swearing, use of obscene, threatening or flagrantly disrespectful oral or written language, gestures.
4. **Intimidation:** Threatening attitude and/or sexual harassment of students and teachers.

RIDING AN ALTERNATE BUS: Any student wishing to ride a different bus or to get off at a different stop on his/her own bus route must either phone the administration or bring a request from home stating the change. The request must be presented to the administration or teacher/coach and the bus driver.

EXTRA RIDERS: Extra riders will be permitted on the bus; provided that warning is given to the bus driver in advance and that the bus has adequate room. Large groups will not be permitted due to space problems.

PUBLIC COMPLAINTS

Constructive criticism of the schools will be welcomed by the Board of Education when it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to do their tasks more effectively.

The Board of Education believes that complaints and grievances are best handled and resolved as close to their origin as possible, and that the staff should be given every opportunity to consider the issues and attempt to resolve the problem prior to involvement by the Board of Education.

Therefore, the proper channeling of complaints involving instruction, discipline, or learning materials will be as follows:

1. Teacher

2. Principal
3. Superintendent
4. Board of Education

The Board of Education expects the professional staff to receive complaints courteously and to make a proper reply to the complainant.

Matters referred to the Superintendent and/or Board of Education must be in writing on the school complaint form. Exceptions will be made when the complaints concern Board of Education actions.

HIGH SCHOOL STUDENT CLASS ENROLLMENT

Each student will be allowed only one 55-minute study hall per semester. Students have five days at the beginning of each semester to change classes.

CORRESPONDENCE COURSES

Courses taken by correspondence will not be accepted by the Parker School District unless arrangements have been made with the Parker School Administration prior to the student enrolling for the course.

VIRTUAL SCHOOL

South Dakota Virtual High School

<http://www.sdvhs.k12.sd.us>

The South Dakota Virtual High School is a clearinghouse of distance courses offered by approved providers. Courses are available online or via the Digital Dakota Network. All course offerings and providers are approved by the South Dakota Department of Education. The goal of the Virtual High School is to provide choice, flexibility and quality for all students across the state. Any high school student enrolled in a South Dakota school can take courses via the Virtual High School.

Parker School will pay for the cost of a student to take a course via the South Dakota Virtual High School provided that a suitable course already offered at Parker High School is not available or will not fit into the student's schedule. Costs vary depending on the particular provider and course offering.

Since the school covers the cost of a course, designated school personnel must approve any request for a student to take a course via the Virtual High School. Schools also are required to register students. Students are not allowed to register by themselves.

Please note: Parker School has the right to deny a student's application to take a course via the South Dakota Virtual High School.

APEX Learning Courses (Advanced Placement)

These courses are free to students who successfully complete the course. Successfully completing a course is achieved when a student receives a "C" grade or above from the Advanced Placement teacher. Withdrawing and/or incompleting a course means that a student does not complete the course with a "C" grade or above. If a student withdraws or receives a grade below a "C", the student will be responsible to reimburse the school district for the cost of the course and materials. The school district will provide all required textbook(s) and materials needed for APEX Advanced Placement courses. Students will be responsible for any optional materials.

Dual Credit Courses (College Courses)

Students have the option of taking college courses through distance learning for both high school and college credit, or just for college credit. If taken just for college credit, the course will not be on the student transcript. Students must decide and notify the school counselor within the first five days of that

particular class whether they will be taking the course for high school credit or not. All costs for taking college credit courses are the responsibility of the student, including tuition, books, and any other fees related to taking the course.

DUAL CREDIT PROCEDURES

- 1) Dual credit is an opportunity for high school students who meet admissions standards to enroll in public universities or technical institutes in South Dakota and simultaneously earn credits for both their high school diploma and postsecondary degree.
- 2) The following rules will govern Dual Credit at Parker High School.
 - A) PHS students applying for Dual Credit must be juniors or seniors.
 - B) The student requesting dual enrollment must receive permission from the administration prior to applying for a dual credit course.
 - C) Students interested in taking dual credit courses from one of the six South Dakota Board of Regents institutions must:
 - Meet ACT college-ready benchmarks in all subtests; or
 - Meet undergraduate admissions requirements (ACT or coursework); or
 - If a high school senior, rank in the upper one-half of their class or score at or above the 50th percentile on a nationally standardized, norm-referenced test, such as the ACT or SAT; or
 - If a high school junior, rank in the upper one-third of their class or score at or above the 70th percentile on a nationally standardized, norm-referenced test, such as the ACT or SAT.
 - D) Each approved Dual Credit course must be equivalent to at least a 2 credit post-secondary credit course. A 2-credit course will equal a ½ credit of HS credit and a 3-4 credit course will be worth 1 full credit of HS credit.
 - E) Students are required to follow the class start and end dates as deemed by the distance provider.
 - F) The student will be classified as a full-time student at Parker High School and must adhere to all rules, policies, and procedures of Parker High School.
 - G) Students will be required to participate in the Dual Credit course in a manner conducive to completing work when assigned by the coordinating instructor. For on-line courses, students who do not complete work in a timely manner may be issued consequences to aid them in completing the work in question.
 - H) All fees and costs associated with a Dual Credit course are the responsibility of the student and parent/guardian.
 - I) If a student fails or drops a Dual Credit course, they are no longer eligible to participate in Dual Credit, unless approved by the Parker administration team.
 - J) Students who fail to complete the course after receiving an “I” will eventually be assigned a grade that will negatively impact their GPA and/or their transcript.
 - K) Students are required to turn in their grades to the school counselor on a weekly basis. If students are not keeping up with classwork or receive a grade lower than a D, they will no longer be able to participate in a future dual credit class.
 - L) Students will be assigned one period of the school day, if possible, to actively work on coursework for their dual credit class.
 - M) Responsibilities Student/Parents:
 - To register with Parker’s Guidance Counselor in a timely manner.
 - Order books and other materials for class. Understand that many college bookstores have strict regulations on returns.
 - Student’s parents need to follow student progress and make sure adequate time is being spent on the course outside of normal school hours.
 - Communicate with the university professors with questions and comments.

- Work diligently to read and work ahead of course deadlines on syllabus.
- Use class time wisely.
- Ask school representatives if they are available to proctor exams in a timely manner.

N) Responsibilities of Parker School

- Help students register for online classes if student is deemed eligible.
- Provide students with a time period each day, if possible, to work on course.
- Keep track of student progress on a weekly basis and make changes if needed.
- Help provide proctoring of tests if given prior notice and it works in our schedule.
- Receive information from university and post grades to High School Transcript.

The Dual Credit program is a great opportunity for some students; however, it is not for every student. These are college level classes where standards can be more stringent. If students are not ready to independently read and learn without much guidance from an instructor, classes will not be a viable option for them.

Career & Technical Education Academy

Students that attend CTE courses in Sioux Falls are responsible for their own transportation.

STUDENTS WHO ATTEND HOME SCHOOL

In order to graduate from Parker High School, all home-schooled students must have received credit from the Parker High School.

SENIOR TRIP POLICY

The senior class trip is an earned privilege through participation and behavior conducive to a constructive learning environment. The senior class will be allowed to take a class trip as long as the following guidelines are met:

1. The senior class has the requisite funds to pay for all expenses of the trip, including but not limited to paying for a bus driver and fuel.
2. It is not an overnight trip.
3. The destination and itinerary are approved by school administration.
4. Out-of-state trips must be approved by the Board of Education.
5. The student has no “F” grades in any subject.

JUNIOR AND SENIOR HIGH SCHOOL GRADE AVERAGING

Eligibility will be checked every two weeks (see page 39 for a list of dates).

Letter Grade	%	Grade Points
A	96 – 100	4.00
A-	94 – 95	3.67
B+	92 – 93	3.33
B	89 – 91	3.00
B-	87 – 88	2.67
C+	85 – 86	2.33
C	82 – 84	2.00
C-	80 – 81	1.67
D+	78 – 79	1.33
D	75 – 77	1.00

D-	70 – 74	0.67
F		0.00

In averaging semester grades, each nine weeks' grade counts 45% and the semester test counts 10%. Semester tests are required in all high school classes for both first and second semester of each year. Students will be expected to take their semester exams according to the times scheduled unless prior arrangements are made with the high school principal. Students with a 94% or higher in a class for the semester will be given the opportunity to forgo semester tests.

HONOR STUDENTS

Seniors graduating with a GPA between 3.5-3.74 will graduate "With Honors". Graduating seniors with a GPA from 3.75 to 4.00 will graduate "With Highest Honors". The grade point average will be a cumulative average for seven semesters beginning with grade nine. These "Honors" are not the same as the Honor Roll GPA averages. The Valedictorian and Salutatorian will be named on the graduation program.

NATIONAL HONOR SOCIETY/NATIONAL JUNIOR HONOR SOCIETY

NHS and NJHS are more than just an honor roll. The Honor Society chapter establishes rules for membership that are based upon a student's outstanding performance in the areas of scholarship, service, leadership, and character (plus citizenship for NJHS). These criteria for selection form the foundation upon which the organization and its activities are built.

Scholarship: Students who have a cumulative grade point average of 3.5 (on a 4.0 scale) or a higher cumulative average meet the scholarship requirement for membership. These students are then eligible for consideration on the basis of service, leadership, and character (and citizenship for NJHS).

Service: This quality is defined through the voluntary contributions made by a student to the school or community, done without compensation and with a positive, courteous, and enthusiastic spirit.

Leadership: Student leaders are those who are resourceful, good problem solvers, promoters of school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life. Leadership experiences can be drawn from school or community activities while working with or for others.

Character: The student of good character upholds principles of morality and ethics, is cooperative, demonstrates high standards of honesty and reliability, shows courtesy, concern, and respect for others, and generally maintains a good and clean lifestyle.

Citizenship: The student who demonstrates citizenship understands the importance of civic involvement, has a high regard for freedom, justice, and democracy, and demonstrates mature participation and responsibility through involvement with such activities as scouting, community organizations, and school clubs.

Any student in grades 10 through 12 is eligible for consideration for membership in NHS. For NJHS, any student in the second semester of grades 7 through 9 is eligible for consideration for membership in NJHS.

GRADUATION SPEAKERS

The senior class may select up to two speakers for the graduation ceremony. All speeches must be written and submitted for approval by the principal at least one week before graduation.

HONOR ROLL

The honor roll will be posted at the end of each nine weeks period. The Honor Roll offers a means by which schools recognize those students who do demonstrate a high level of academic achievement.

To qualify for the "A" Honor Roll, a student must earn a grade point average of 3.66 or higher, using the grade-averaging table **on page 32**. (No grade below "B").

To qualify for the "B" Honor Roll, a student must earn a grade point average of 3.0 or higher, using the grade-averaging table **on page 32**. (No grade below "C")

Music and Physical Education grades will be considered in determining GPA and honorrolls.

No groups or individuals will be allowed to use school facilities (classrooms, gyms, bandrooms, etc.) unless they have a signed contract with the school. Inquiries must be directed to the superintendent.

STUDENT ACTIVITY PARTICIPATION ELIGIBILITY

Rules of the South Dakota High School Activities Association Section I.

General Requirements

- (a) Age. The student must be under 20 years of age at the time of participation.
- (b) Enrollment. Must have enrolled not later than the sixteenth school day of the current semester.
- (c) Eight Semester Rule. Only students who have not fulfilled requirements for graduation are eligible for interscholastic activities. A student shall be eligible for four first semesters and four-second semesters of interscholastic competition. For the purpose of this subsection, enrollment in school for fifteen school days or participation in one or more contests shall count as a semester of eligibility. Once a student enrolls as a ninth grader, all semesters must be consecutive unless verified in writing by a physician that withdrawal from school is necessary due to a serious illness or injury.
- (d) Scholastic/Academic Eligibility Rule.
 - (1) Preceding Semester. The student, unless they are entering high school for the first time, shall have successfully passed twenty hours of high school work per week, for which academic units of credits earned are used in the issuance of a diploma, for the preceding or for the most recent semester of attendance in any accredited high school. For the purposes of this subsection, enrollment in school for fifteen school days or participation in one or more contests shall constitute a semester in determining eligibility. Provided, however, the Board of Education of Directors or Executive Director shall have the authority to waive the fifteen-day attendance rule when and if a student withdraws from school after fifteen days of attendance as a result of an injury or illness and does not return to any school for the remainder of the semester and the student does not receive any high school course credits.
 - (2) Current Semester. The student shall be enrolled in an accredited high school and attend a minimum of twenty hours of high school work per week during the current semester for which academic units of credits earned are used in the issuance of a diploma. Correspondence courses approved in advance by the high school principal for which credits earned are used in the issuance of a high school diploma may count towards the twenty-hour eligibility requirement.
 - (3) A student's grades that are dependent upon completion of a project such as a vocational education project after the close of the academic school year shall be determined by the grade averages of record assuming satisfactory completion of the project.
 - (4) Students who have been declared ineligible because of academic deficiencies from the previous semester may not earn scholastic/academic eligibility by taking an academic course(s) during the summer vacation period.

(e) Beginning and Ending of a Semester. For the purpose of this subsection, the first semester shall be considered as ending on midnight on the day before the second semester begins and the second semester shall be considered as starting on the first day classes are held in said semester. The actual ending of the second semester or school year, rather than the date of graduation exercises or diploma date, controls the determination when eligibility terminates.

FRIDAY HELP DAY

The Parker School District utilizes a modified 4-day school week calendar. Many Fridays have been selected as extra instruction days for our students in the mornings and professional development for our staff in the afternoons.

This extra instruction has been beneficial for the many students who have taken advantage of the opportunity to get more time with their teachers in individual specific academic areas.

The Parker School District and its staff will continually strive to help students achieve and become college and career ready.

The Parker School District will require all of our students to come in on Friday to receive extra instruction if the teacher or principal sees a need not listed below, that would help the student achieve more and/or if said student:

1. Is ineligible and needs more time with their teachers to improve their grades.
2. Has missed multiple days of class sessions and needs more time for concepts.
3. Is not understanding the coursework and is in need of more direct instruction.
4. Has not followed class expectations and needs more time to adhere to these procedures.

Extra help time must be served, following notification, at the next scheduled session. Students who cannot attend a scheduled session must make arrangements beforehand with the principal.

The Parker School District will apply the student handbook discipline matrix consequences to a student that has been required to participate in Friday help day and fail to attend on Friday.

GUIDELINES FOR STUDENTS WHO ARE INELIGIBLE

- A student is ineligible if they receive an “F” grade in any class or have a GPA lower than 1.67 on a 4.0 scale
- All Open Campus privileges will be taken away until the student reaches eligible status.
- Extra help/tutoring is available on Friday mornings and at other times by appointment. Students are required to attend the entire Friday Help Day time if deemed necessary by teacher/principal.
- Eligibility is determined every two weeks for all students, not just those who appear on the first report (see eligibility dates in the table below).

Parker High School

Student 1-to-1 Computing Agreement ~ 2020/2021

1. OVERVIEW

Parker School was one of 21 school districts that were selected for the State of South Dakota Classroom Connections Year 2 project in 2007 which put a tablet computer in the hands of every 9-12 grade student. It is essential to teach the students technology skills for their future and the administration and school board at Parker School District feel that the 1 to 1 program is essential in their learning. The device has changed over the years since 2007 but the mission is still the same which is to help students develop skills that are critical in our 21st century world. 21st century skills include:

- ◆ Critical and creative thinking
- ◆ Problem solving skills
- ◆ Information and computer skills
- ◆ Interpersonal and self-direction skills
- ◆ Technology literacy

The computing device will allow students to direct their own learning and have a greater reliance on active learning strategies. Students will be able to transfer knowledge across disciplines. The increased access to technology will enhance instruction and provide more achievement opportunities for our students.

Our 1 to 1 (1:1) initiative has expanded to junior high students. A device will be issued to each student in August, and it will stay with them for the remainder of the school year, or until they withdraw from school. Students will be responsible for bringing their device to school with them, taking them home at the end of the day, and charging them before the next day. *It is important to note that these units are the responsibility of the students 24 hours a day and are not to be left unsupervised at school or elsewhere at anytime.*

If students do not wish to take them home, they have the option of leaving them at school. However, homework will be expected to be done.

The policies, procedures and information within this document apply to all devices used at Parker School. Teachers may set additional requirements for computer use in their classroom.

2. RECEIVING YOUR DEVICE

The devices for all students (exceptions for dual credit students) will be issued the first day of school. **Parents must sign and return the Insurance Agreement before the device will be issued to the student.**

The laptops for students in grades 10-12 will be issued at a date prior to school starting in August. Parents must sign and return the Insurance Agreement.

Devices will be collected at the end of each school year for maintenance, cleaning and software installations.

3. TAKING CARE OF YOUR DEVICE

Students are responsible for the general care of the device they have been issued by the school. Devices that are broken or fail to work properly must be taken to the Tech Help Room located in Room 101.

3.1 General Precautions

- ◆ No food or drink is allowed next to your device while it is in use.
- ◆ Cords, cables, and removable storage devices must be inserted carefully in the device carrying case.
- ◆ The device must remain free of any writing, drawing, stickers, or labels that are not the property of the Parker School District.
- ◆ Existing stickers must not be removed from the device.
- ◆ The device must never be left in a car or any unsupervised area.
- ◆ Students are responsible for keeping their device battery charged for school each day.
- ◆ When not in use, the device should always be in a padded bag/bookbag.

3.2 Screen Care

The screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- ◆ Do not lean on the top of the device.
- ◆ Do not place anything near the device that could put pressure on the screen.
- ◆ Do not use any chemical cleaner on any part of the device.
 - Clean the screen with a soft, dry cloth or anti-static cloth.
 - Blue jean material works well on the iPad screen
- ◆ Do not wear jewelry on the wrist or hand while using the device, as these items may scratch the screen.

4. USING YOUR DEVICE AT SCHOOL

The devices are intended for use at school each day. In addition to teacher expectations for the device use, school messages, announcements, calendars and schedules will be accessed using the device. Students must be responsible and bring their device to all classes unless specifically advised not to do so by the teacher of that class. At the beginning of class, students should have their device ready to use; the class will not be expected to wait for the student to be ready.

4.1 Device Left at Home

If students leave their device at home, they must immediately phone a parent to bring it to school. Repeat violations of this policy will result in disciplinary action.

4.2 Devices Undergoing Repair

Depending on the reason for repair, a loaner device may be issued to a student. There is a limited supply of loaner devices.

4.3 Charging the Device Battery

Devices must be brought to school each day in a fully charged condition. Students need to charge their devices each evening. Repeat violations of this policy will result in disciplinary action.

4.4 Background Photos

- ◆ Inappropriate media may not be used as a background photo.
- ◆ Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, and gang related symbols or pictures will result in disciplinary actions.

4.5 Sound, Music, Games, and Apps

Sound must be muted at all times in school unless permission is obtained from the teacher for instructional purposes.

Music is allowed on the device and can be used at the discretion of the teacher. Students are allowed to sync music and photos on the device from home if desired.

Internet games are not allowed on the devices. If found this will result in disciplinary action.

All apps (software) must be district provided. Students are not allowed to download and install any apps on the device.

4.6 Printing

Printing will be allowed but very limited. Students should get permission from their teacher before they print.

5. ACCEPTABLE USE

5.1 General Guidelines

1. Students will have access to all available forms of electronic media and communication which is in support of education and research and in support of the educational goals and objectives of the Parker School District.
2. Students are responsible for their ethical and educational use of the technology resources of the Parker School District.
3. Access to the Parker School District technology resources is a privilege and not a right. Each employee, student and/or parent will be required to follow the Acceptable Use Policy.

This is not merely a request; it is a responsibility.

5.3 Legal Propriety

- ◆ Comply with trademark and copyright laws and all license agreements. Ignorance of the law is not immunity. If you are unsure, ask a teacher or parent.
- ◆ Plagiarism is a violation of the Parker School Student Handbook. Give credit to all sources used, whether quoted or summarized. This includes all forms of media on the Internet, such as graphics, movies, music, and text.
- ◆ Use or possession of hacking software is strictly prohibited, and violators will be subject to disciplinary action. Violation of applicable state or federal law, including the South Dakota Penal Code, Computer Crimes, will result in criminal prosecution or disciplinary action by the district.
- ◆ Copying software from a school owned device to another device is illegal.

5.4 E-mail

A student e-mail account will be issued to students in grades 7-12. It is the policy of the Parker Public Schools that student e-mail will be used in a responsible, legal and ethical manner. Failure to do so will result in the termination of e-mail privilege for the user.

Users of the student e-mail system are responsible for their use of the e-mail. The use of the e-mail must be in support of education and research and must be consistent with academic actions of the Parker Public Schools and will be under the supervision Parker school staff and the K12 Data Center in Madison, South Dakota. Use of the e-mail for any illegal or commercial activities is prohibited.

Non-compliance with the policies of the 1-to-1 Handbook or Technology Acceptable Use Policy will result in disciplinary action as outlined in the Parker School Student Handbook.

Electronic mail, network usage, and all stored files shall not be considered confidential and may be monitored at any time by designated District staff to ensure appropriate use. The district cooperates fully with local, state or federal officials in any investigation concerning or relating to violations of computer crime laws. Contents of e-mail and network communications are governed by the South Dakota Open Records Act; proper authorities will be given access to their content.

6. PROTECTING & STORING YOUR DEVICE

6.1 Device Identification

The devices will be labeled in the manner specified by the school. Devices can be identified in the following ways:

- ◆ Record of serial number
- ◆ Parker School ID tag

6.2 Storing Your Device

When students are not using their issued device, they should be stored in backpacks or lockers. Nothing should be placed on top of the device when stored in the locker. Students are encouraged to take their issued device home every day after school, regardless of whether or not they are needed. Devices may be taken with the student on away activities if there is a secure area at that facility. Devices should not be stored in a student's vehicle at school or at home.

6.3 Devices Left Unattended

Under no circumstances should a device be left unsupervised. Any device left unattended should be taken to the principal's office. Students who leave a device unattended may be subject to disciplinary action.

The following table outlines consequences of Unsupervised or Misuse Offenses.

Offense *	Consequence
1	Verbal warning
2	Detention and letter to parent
3	5 days suspended device use at home and meeting with parent
4	Device use at home suspended for the remainder of the semester and meeting with parent

*Subject to Student Handbook Discipline Rubric as well.

7. REPAIRING OR REPLACING THE DEVICE

7.1 School District Protection

In case of Theft, Loss or Fire Damage:

- School District Protection is available for students and parents to cover the device replacement in the event of theft, loss, or accidental damage by fire. The protection cost is \$50.00 annually for each device with a maximum cost of \$100.00 per family and includes a \$200.00 additional charge for each claim.

- Students or parents may wish to carry their own personal insurance to protect the device in cases of theft, loss, or accidental damage by fire. Please consult with your insurance agent for details about your personal coverage of the device.
- The enclosed Insurance Form must be completed by each family before the student is issued a device.

Other Damage – Accidental or Intentional

The following is a list of these charges that will be assessed if there is damage done to a device.

These charges will apply regardless of the insurance option chosen:

Device Repair Fees	
Broken keys on the keyboard/touchpad	\$15
Broken or cracked screen	\$50
Excessive scratches, dings, dents	\$15
Lost or damaged power cord	\$40
Cracked case or battery	\$50

Any other damage will be assessed and assigned a fee according to the damage. These fees will be expected to be paid within two weeks of the damage.

There has been a considerable amount of time and money invested into this project and the administration at Parker School feels these fees are necessary to protect the hardware purchased for this project.

6.2 Claims (Theft, Loss, or Fire Damage)

All insurance claims made with the school district protection must be reported to the High School Principal. Students or parents must file a police or fire report and bring a copy of the report to the principal's office before a device can be repaired or replaced with School District Protection.

Fraudulent reporting of theft, loss, or accidental damage by fire will be turned over to the police and insurance company for prosecution. A student making a false report will also be subject to disciplinary action.

The district will work with the Turner County Sheriff Department to alert pawnshops and police departments in the area to be aware of this District-owned equipment.

7. DEVICE TECHNICAL SUPPORT

The Tech Help room is located in Room 101 and coordinates the repair work for devices. Services provided include the following:

- ◆ Hardware maintenance and repairs
- ◆ Password identification
- ◆ User account support
- ◆ Re-imaging hard drives
- ◆ Updates and software installations
- ◆ Distribution of loaner devices

Insurance Form: Device Protection Form and Computing Agreement

Each student in grades K-12 at Parker School will be issued a device. The Parker School District recognizes that with the implementation of the device, there is a need to protect the investment by both the District and the Student/Parent. The following outlines the various options for insurance in case of theft, loss, or fire damage.

Please complete this form and return it to the school.

INSURANCE FOR THEFT, LOSS OR FIRE: Following are the two options that are available for these types of losses, and the Student/Parent must commit to one by checking the appropriate box.

Personal Insurance

- I (Parent/Guardian) will cover the device under my own insurance policy and in the case of theft, loss or damage by fire, I agree to pay the district the amount received from my insurance company plus any additional amount needed to cover the device replacement not to exceed \$500.00.

School District Protection

- I (Parent/Guardian) choose to pay the school district an annual protection

payment for coverage of theft, loss or damage by fire in the amount of \$50.00 or \$100.00 for family coverage when there are two or more children in high school using school issued devices. The \$50.00 payment is non-refundable. This protection coverage has a \$100.00 additional charge per occurrence. This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year.

ADDITIONAL INFORMATION: In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office.

The \$100.00 additional charge is the responsibility of the student/parent and must be paid before the device can be repaired or replaced.

INTENTIONAL DAMAGE: Students/Parents are responsible for full payment of intentional damages to devices. Device Insurance Protection **DOES NOT** cover damage of the device.

Dear Parker Students & their Parents:

The administration at Parker School District is excited to offer the 1:1 technology program to all K-12th grade students here in Parker again this upcoming school year. . **These devices will be issued to the students the first day of school.**

Each student will receive a technology device to be used in the classroom as well as at home for educational purposes. These devices will allow our district to advance the education of students and build upon the solid education programs that Parker has been known for. Teachers will use these devices for instruction and assignments and the devices will become an embedded part of the classroom environment.

What do I need to know as a parent?

The devices will be filtered. The district's filter blocks websites which are inappropriate for students on and off school district property. When not at school, students can access the Internet if Internet access is available to them in their home or other locations. The district's filter will continue to filter content in locations outside the school district. However, it is important to note that no filtering solution is 100% effective 100% of the time. If an inappropriate site is accessed by accident, the student must notify the teacher or technology coordinator immediately. While using the equipment at home, it is the sole responsibility of the parent/guardian to properly monitor and guide their son or daughter on proper use and access of internet sites and resources. We encourage parents to establish clear guidelines for use of technology at home.

There will be no cost to the students/parents for using these devices as long as the device is kept in good working order. However, if the device is damaged in any way, repair fees will be assessed to the student/parent. A list of those is as follows:

Device Repair Fees	
Broken keys on the keyboard/touchpad	\$15
Broken or cracked screen	\$50
Excessive scratches, dings, dents	\$15
Lost or damaged power cord	\$40
Cracked case or battery	\$50

Devices need to be stored in a safe place. A student needs to have a padded area in their backpack to store their device when not in use. A separate bag for their device would be ideal.

- 12" Chromebook for students in grades K-9
- 14" Laptop for students in grades 10-12

Insurance

Before a device can be issued to a student to take home, a signed insurance form must be handed in to school staff. Attached is the insurance form.

If you have any questions about the 1:1 program, please email me at marci.leberman@k12.sd.us or call 605-297-3456.

Thank you.
Marci Leberman
Technology Coordinator

Expectations

Students will be expected to:

- 1) charge their device each night.
- 2) bring their device to school each day and to every period unless otherwise instructed.
- 3) return their device at the end of the school year to the technology coordinator.
- 4) use their device for educational purposes, not game playing, or social media.
- 5) use school-issued accounts to log into their device and not share their passwords.
- 6) notify a staff member if they accidentally come across inappropriate websites.

Device Care

- When at home, store the device on a desk or table, not on the floor.
- Protect the device from:
 - Food & Drinks
 - Extreme heat or cold
 - Small Children & pets
- Students should not personalize the device in any way including marking, stickers or decals.
- Use a soft, dry, lint-free cloth when cleaning the device. Never use cleaning products.
- Never stack anything on top of the device.
- Always store the device in its protective bag when not in use or charging.
- Do not leave the device in a vehicle for an extended period of time. Extreme heat and/or cold can damage the inside of the device.

PARKER SCHOOL DISTRICT STUDENT PREGNANCY AND MARITAL STATUS GUIDELINES

The Parker School District will not discriminate against any married or pregnant student or be excluded, nor will they be excluded from any program or activity, including any class or extracurricular activity. Pregnant or married students may volunteer to participate in a separate educational program if offered by the school; the instructional portion of the program will be equivalent to that offered to non-pregnant or non-married students.

A physician's certification of fitness to continue in the regular education program may be required of pregnant students **ONLY** if such certification is required of other students with conditions requiring a physician's care. Pregnancy will be treated as a justification for student's leave of absence for whatever time period the student's physician finds medically necessary.

Any student's pregnancy will be treated the same as any other temporary disability in student health insurance plans offered by the school district. A student will be reinstated to the same status, which she held prior to her leave of absence.

This statement is in accordance provided by Office for Civil Rights, United States Department of Education, Title 34, Section: 106-40.
