## **Parents Right to Know**

Title I Part A, Section 1111 (h)(6) specifies the following requirement. At the beginning of each school year, any district that receives Title I funds must notify the parents of each student attending a Title I school that the parents may request information regarding the professional qualifications of the student's classroom teachers. If you are interested in this information, you may send your request to the building principal who will provide a response. The current Title I teacher and Paraprofessional at Parker School District 60-4 have met the state qualification and licensing criteria for all of the grade levels that instruction is provided.
